We have found that the best way to get the crowd involved at an event is to play music for the DANCING MAJORITY! Your DJ's song selections are based on advance and on-the-spot requests, as well as dance floor reaction. He/she will play as many of the most danceable requests as time permits.

1. What are the event's highlights and approximate timing? (Example: 7-8 Cocktails, 8-9:30 Dinner, 9:30-1:00 AM Dancing, 9:45 Garter Removal & Bouquet Toss, 10:30 Dollar Dance, etc.) Is there a theme? Is there something special about the crowd that your DJ should know?
